

RIVER Scavenger Hunt

Salmon are an important species in the Pacific Ocean! Many start and end their lives in streams and rivers along the coast of British Columbia.

Head down to a local stream or river and try your best complete this scavenger hunt in a salmon's freshwater habitat.

 <p>Fish</p>	 <p>Bubbles in the water</p>	 <p>Seeds</p>	 <p>Animal Home</p>
 <p>Garbage (Bonus if you throw it away safely)</p>	 <p>Distinct Sound</p>	 <p>Bird</p>	 <p>Water bug</p>
 <p>Sign of an animal</p>	 <p>Tadpole</p>	 <p>Shady branch over the river protecting young salmon</p>	 <p>Distinct smell</p>
 <p>Small pebbles in the water for salmon to lay eggs</p>	 <p>Mushrooms</p>	 <p>Water ripples</p>	 <p>Spider Web</p>
